## **European Science Advisors Forum**

### **Deliberation on Associate Membership of Iceland, Norway, Switzerland, United Kingdom**

**March 2024**

In reference to ESAF Statute, article I.2, scientific advisors of the European Union candidate states and those representing scientific advisory bodies of the European Union institutions and of specific strategic countries can be invited to join ESAF as Associate Members.

The following countries, considered strategic and already involved as associates in ESAF, are admitted as Associate Members: Iceland, Norway, Switzerland, United Kingdom.
